LIONS

20

25

PRIDE
MARCHING COMPETITION

OCT. 4TH 2025

@KINGHS

Welcome Letter

Dear participating Bands and Patrons:

On Behalf of the King High School Music Program, we welcome you to 28th annual Lion's Pride Marching Competition. Our goal is for participating bands to use this competition-based festival as a forum through which their progress can be assessed.

Seven judges in six specific categories on a 100-point scale score each band's performance. Through this process the judges select the best auxiliary, percussion, and drum majors in each division, the third second and first place band in each division, and a third place second place and grand champion for the entire competition. Bands also receive a plaque for overall superior ratings and for superior ratings in the captions of percussion, auxiliary, and drum major.

As we kick-off our 28th successful festival, we wish all the participating bands the best of luck. We also want to extend our thanks to you, the spectators, for your enthusiastic support of every band performing here tonight. Thank you for choosing Lion's Pride 2025 and enjoy the show.

SINCERELY
